Marc P. Volavka
Executive Director
Pennsylvania Health Care Cost Containment Council
225 Market Street, Suite 400
Harrisburg, PA 17101

Dear Mr. Volavka:

Please accept our response to PHC4's FFY 2006 Hospital Performance Report. The average charges that were not reported for our facility were due to a software error associated with our main hospital system vendor. While the error was recognized and in the process of being fixed, the timeframe did not allow our charge data to be submitted to PHC4 before the deadline.

This software error has been repaired and our data will be available for the next report. Should any one wish to contact us for updated charge figures, please do not hesitate to contact me at 717-849-5331.

Sincerely,

Susan P. Nelson
Vice-President of Quality
